# Clutch Announces the Top B2B Firms in Western Europe for 2020

January 21, 2020

Clutch highlights the 190 top B2B services providers across 15 countries in Western Europe, honoring their commitment to delivering high-quality services for their clients.

WASHINGTON, DC - January 21, 2020 - Clutch, the leading B2B ratings and reviews platform, recognized 190 Western European leaders in the B2B industry today.

Clutch [bases its research](#) on detailed reviews from past clients, as well as the company's level of expertise, market presence, and offered services.

The list contains firms located in Austria, Belgium, Denmark, Finland, France, Germany, Greece, Ireland, Italy, Norway, Portugal, Spain, Sweden, Switzerland, and the Netherlands.

Nearly 1 in 5 (19%) of the highly-ranked service providers listed are located in Germany, while 14% are located in both Spain and Ireland.

The Western Europe leaders specialize in a variety of services including mobile app development (13%), web development (13%), custom software development (12%), and branding (7%).

"Clutch is honored to recognize the best service providers in Western Europe," said Clutch Analyst Dustin Sammons. "These firms have proven themselves as capable partners in their respective fields and businesses should feel confident selecting them for their next project."

Clutch's research into the top service providers is ongoing and it encourages interested parties to [apply to get listed](#) in next year's report.
